United American Patriots (UAP) Inc. is committed to protecting and respecting our donors and their privacy. This policy provides you information on what we may gather and our usage practices for our websites and social media pages.

This privacy policy was created in order to demonstrate UAP’s firm commitment to the privacy of our donors and website users. This policy explains what types of information is collected and how this information is used.

Donors voluntarily provide us with personal data and contract information. Personal data consists of information that identifies an individual and allows us to contact you. This information is provided to UAP by the donor. Such information might include name, age, email address, physical street address, or phone number.

UAP, Inc. uses donor information to send periodic mailings and/or e-mails related to specific fund-raising events or appeals, and newsletters. UAP also uses the information provided by the donors to complete a transaction, communicate back to donors, and update donors on foundation happenings and needs.

Donor information is not shared with any unverified third party. UAP and our affiliates collect and maintain payment information for the processing of payments. On occasion, UAP may rent or exchange email or physical addresses of known donors with other organizations for fundraising activities. Excluding financial information, UAP may share your personal information with other companies whose services may be of interest to our donors. UAP and our affiliates do not store any credit card data unless required for recurring payments or if the Donor chooses to store their data for future use. All credit card data is stored in a secure encrypted file for the sole purpose of processing payments.

We desire not to send unwanted mail to our donors. UAP provides the opportunity to remove personal information from our mailing list. Please contact us directly or through the link in our E-mail communications to review, update, or to be removed from our mailing list.

How Your Information May Be Used: We use your personal information to provide you with personalized service; to send e-mail alerts to you; to answer your requests; to process your membership application; etc. You may choose to opt out at any time, which will cease all communications from us. We may also use your information to track visitor of our website. This lets us see which of our features are the most popular so we can better serve our users' needs. It also lets us provide aggregate data about our traffic (not identifying you personally, but showing how many visitors used which features, for example) to outside parties.
